

Appendix 1004

**WATER: CALIFORNIA
GENERAL REGULATIONS, APRIL 23, 1930**

THE SECRETARY OF THE INTERIOR,
Washington, April 23, 1930.

GENERAL REGULATIONS

CONTRACTS FOR THE STORAGE OF WATER IN BOULDER CANYON RESER-
VOIR, BOULDER CANYON PROJECT, AND THE DELIVERY THEREOF

Storage water in Boulder Canyon Reservoir will be sold upon such terms and conditions as the Secretary may fix from time to time. Water so sold may be delivered at such points on the river as may be agreed upon for irrigation and domestic uses.

Contracts respecting water for domestic uses shall be for permanent service, and shall conform to Paragraph a of Section 4 of the Boulder Canyon Project Act. No charge shall be made for water or for the use, storage or delivery of water for irrigation or for water for potable purposes in the Imperial or Coachella Valleys.

Where water is taken from the Colorado River above the Boulder Canyon Dam, the utilization of the power plant will be impaired to that extent, and the right is reserved to make a higher charge for water taken above the dam, than if delivery is made below the dam.

No person shall have or be entitled to have the use for any purpose of the water stored in Boulder Canyon Reservoir except by contract made in pursuance of these regulations. All purchases of water shall be subject to all the terms and provisions of the Colorado River Compact and of the Boulder Canyon Project Act.

The right is reserved to amend or extend these regulations from time to time consistently with said compact and the laws of Congress, as the public need may require.

RAY LYMAN WILBUR,
Secretary of the Interior.
